

Update on a New Michigan Automobile Law

by Atkinson Petruska Kozma Hart & Couture, PC
Your "Up North" Lawyers

Starting in October 2022, Michigan vehicle registrations will last for two years after your birthday, so you will no longer have to renew them every year.

This change comes after a challenging year for the Secretary of State office, which struggled to process vehicle registrations and to handle appointments.

It may not be an earth-shattering legal development, but anything that makes our lives easier when dealing with the Michigan SOS office is good news for all motorists!
